HOYA
PARTNER OF SUCCESS!

CHINA HOYA
INTERNATIONAL GROUP LTD.

ABOUT US

HOYA International Group Co., Ltd was established in 1984 with 5 plants in China. It is a shareholding group company specializes in the R&D, manufacturing and sales of auto parts.

There are three systems and seven series of auto products under the umbrella of HOYA products portfolio, namely, brake system(HBS), clutch system(HCS) and electric system(HES), with its product models amounts to more than 5000, including Brake Pad, Brake Master Cylinder, Clutch Slave Cylinder, Window Regulator, Hydraulic Clutch Bearing, Idle Air Control Valves,Auto Sensor and so on. Its can be applied in different types of cars, offering the clients with various choices.

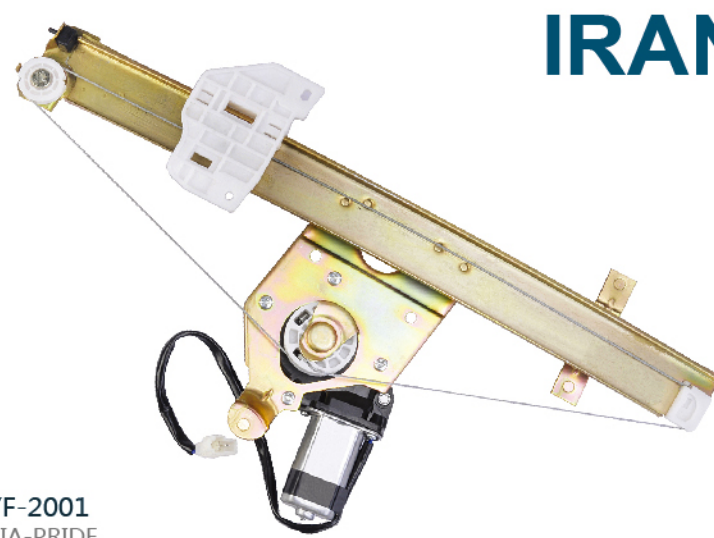

Based on our scientific and standardized management system, advanced manufacturing equipment and TS 16949 quality management system, HOYA has 100% of its products inspected according to international industry standard from raw materials to finished products, including the process of processing and manufacturing. All our products are exported to overseas countries, among which Europe, North America, South America Mid-east and South Korea are our major markets. 50% of our products are OEM for the well-known brands in the industry.

We build our brand with the entrepreneurship of "integrity, respect and win-win" and under the quality guidance of "keeping pace with the times, scientific& innovative, continuous improvement and customer satisfaction". The banner of our brand will dance freely in the competitive international market.
